

## *Curriculum Vitae*

Dung H. Nguyen, M.D., Pharm.D.

Office Address: Division of Plastic Surgery and Reconstructive Surgery  
Stanford University  
770 Welch Rd, Suite 400  
Palo Alto, CA 94304  
Office: 650-723-5824  
Fax: 650-725-6605  
Mobile: 650-492-9239  
Email: nguyendh@stanford.edu

Certification: Board Certification – American Board of Plastic Surgery, since 11-2012

Licensure: California Medical License #A94970  
Drug Enforcement Agency #BN9768586  
California Board of Pharmacy #RPH 54417

### Education:

- 1992-1996 University of California, Davis  
Davis, California  
Bachelor of Sciences in Biochemistry  
Graduation with High Honors and Distinction
- 1996-2000 University of California, San Francisco  
School of Pharmacy  
San Francisco, California  
Doctor of Pharmacy  
Graduation with High Honors and Distinction
- 2000-2004 University of California, San Diego  
School of Medicine  
La Jolla, California  
Doctor of Medicine  
Graduation with High Honors and Distinction

### Training:

- 1996-1999 UCSF Moffitt-Long Hospital  
Pharmacy Intern
- 1999-2000 Rite-Aid Pharmacy, San Francisco  
Pharmacy Intern
- 2004-2005 Department of Surgery  
Los Angeles County-University of Southern California Medical Center  
Intern in Surgery
- 2005-2007 Department of Surgery

Los Angeles County-University of Southern California Medical Center  
Resident in Surgery

2007-2010 Division of Plastic and Reconstructive Surgery  
Los Angeles County-University of Southern California Medical Center  
Resident in Plastic Surgery

2010-2011 Division of Reconstructive Microsurgery  
Department of Plastic and Reconstructive Surgery  
Chang Gung Memorial Hospital, Tao-Yuan, Taiwan  
Fellow in Reconstructive Microsurgery

Honors and Awards:

1. 1993 Edward Kraft Scholarship, UC San Diego
2. 1993 Albert Bijon Scholarship, UC San Diego
3. 1994 CRS Press Chemistry Achievement Award, UC San Diego
4. 1994 J. Bonnheim Scholarship, UC San Diego
5. 1995 The Honor Society of Phi Kappa Phi, UC San Diego
6. 1995 Phi Sigma Biological Sciences Honor Society, Gamma Delta Chapter, UC San Diego
7. 1996 Outstanding Citation in Biochemistry, University of California, Davis
8. 1996 Herbert Young Award for Outstanding Academic Achievement, UC San Diego
9. 1997 Phi Lambda Sigma Leadership Society, Beta Beta Chapter, UC San Francisco
10. 1997 Golden Key Honor Society, UC San Francisco
11. 1998 Long Drugs Scholarship, UC San Francisco
12. 1998 Rho Chi Academic Honor Society, Alpha Lambda Chapter, UC San Francisco
13. 1999 Associated Students of the University of California Leadership Award
14. 2000 Associated Students of the University of California Leadership Award, UC San Francisco
15. 2001 Lartigau Scholarship, UC San Francisco
16. 2003 Hillyer Scholarship, UC San Francisco
17. 2004 Parowski Scholarship, UC San Diego

18. 2004 Debi Taylor Award for Excellence in Social and Behavior Sciences, UC San Diego
19. 2004 Pharmacology Education and Research Foundation Medical Student Award, UC San Diego
20. 2007 Operation Smile First Generation of Regan Fellows
21. 2016 Stanford Cancer Center Clinical Innovation Fund for Breast Reconstruction
22. 2016 Stanford Leadership Development Program
23. 2016 Stanford-Intermountain Institutional Collaboration Travel Grant
24. 2017 Stanford Division of Plastic & Reconstructive Surgery Teacher of the Year Award

Professional Background:

Current Position

|-----------|---|
| 2011-2012 | Director, Plastic Surgery Rotation<br>Division of Plastic and Reconstructive Surgery, Department of Surgery<br>Cedars Sinai Medical Center, Los Angeles, CA |
| 2016-2017 | Member, Breast Cancer High Value Care Committee   |
| 2016-2018 | Member, Reducing Hospital Readmissions Committee  |

- 2016-2018 Member, Stanford Cancer Center Breast Transformation Committee
- 2013-Present Director, Breast Reconstruction  
Stanford Women's Cancer Center, Palo Alto, CA
- 2015-Present Member, Surgical Services Professional Practice Evaluation Committee (PPEC)
- 2016-Present Director, Adult Plastics Center  
Stanford Medical Center

#### Specific Teaching Responsibilities

- 2002-2004 Teaching Assistant, UCSD Department of Pharmacology
- 2005-2010 Surgical Skills Center Instructor, USC Department of Surgery
- 2008-2012 Anatomy Cadaver Dissection Instructor,  
USC Division of Plastic and Reconstructive Surgery
- 2008-2012 Lecturer, Didactic, General Surgery Residents  
Cedars Sinai Medical Center
- 2011-2012 Clinical Teaching, (operating room/wards/conferences) Plastic and  
Reconstructive Surgery Residents, Medical Students and ancillary staff  
Cedars Sinai Medical Center
- 2012-present Clinical Teaching, (operating room/wards/conferences) Plastic and  
Reconstructive Surgery Residents, Medical Students and ancillary staff  
Stanford Medical Center
- 2012-present Clinical Teaching, (operating room/wards/conferences) Plastic and  
Reconstructive Surgery Microsurgery Fellows,  
Stanford Medical Center
- 2013-present Stanford Plastic Surgery Board Exam Prep Course Examinee
- 2013-present Clinical Teaching, (operating room/wards/conferences) Breast Fellow,  
Stanford Medical Center

#### Specific Administrative Responsibilities

- 2007 Member, Residency Program Interview Committee  
Division of Plastic & Reconstructive Surgery  
University of Southern California, Los Angeles, CA
- 2008 Member, Residency Program Interview Committee  
Division of Plastic & Reconstructive Surgery  
University of Southern California, Los Angeles, CA
- 2011 Member, Residency Program Interview Committee

- Division of Plastic & Reconstructive Surgery  
University of Southern California, Los Angeles, CA
- 2012 Member, Residency Program Interview Committee  
Division of Plastic & Reconstructive Surgery  
University of Southern California, Los Angeles, CA
- 2015 Member, Medical School Admission Mini Interview Rater  
Stanford University, Stanford, CA
- 2013-present Member, Residency Program Interview Committee  
Division of Plastic & Reconstructive Surgery  
Stanford University, Stanford, CA
- 2013-present Member, Microsurgery Fellowship Interview Committee  
Division of Plastic & Reconstructive Surgery  
Stanford University, Stanford, CA
- 2013-present Member, Breast Fellowship Interview Committee  
Stanford University, Stanford, CA

#### Other Responsibilities

- 1997-1998 Co-President, UCSF Chapter of the California Society of Health System  
Pharmacist, San Francisco, California
- 1998-1999 Secretary, Rho Chi Academic Honor Society, Alpha Lambda Chapter, UC  
San Francisco, San Francisco, California
- 1998-1999 Vice President of Community Relations, Associated Students of the  
University of California San Francisco (ASUCSF), San Francisco,  
California
- 1999-2000 Member, UCSF Chancellor's Award for Public Service Committee, San  
Francisco, California
- 1999-2000 President, Associated Students of the University of California San  
Francisco (ASUCSF), San Francisco, California
- 2002-2004 Member, Recruitment and Admissions Committee at UCSD School of  
Medicine, La Jolla, California
- 2002-2004 Member, Admissions Advisory Committee at UCSD School of Medicine,  
La Jolla, California
- 2002-2004 Member, UCSD InterFACE Program, La Jolla, California
- 2003-2004 Editor and Communications Coordinator, UCSD Chapter of the California  
Medical Association

- 2007 Regan Fellow, Operation Smile 25<sup>th</sup> Anniversary World Journey of Smiles to Ho Chi Minh City, Vietnam, Operation Smile, Los Angeles, California
- 2009 Representative of Los Angeles Chapter of Operation Smile to mission in Cebu, Philippines, Operation Smile, Los Angeles, California
- 2009 Junior Faculty Instructor, USC First International Flap Course for Orthopedic Surgeons, USC Division of Plastic & Reconstructive Surgery, Los Angeles, California
- 2010 Moderator, 2<sup>nd</sup> World Congress Banquet for Plastic Surgeons of Chinese Descent, Chang Gung Memorial Hospital, Taipei, Taiwan

Societies:

- 1997-present Member, California Society of Health System Pharmacists
- 1997-present Member, American Pharmacists Association
- 2000-present Member, American Medical Association
- 2005-present Member, California Pharmacists Association
- 2013-present Member, Association of Women Surgeons
- 2013-present Member, American Society of Reconstructive Microsurgery
- 2014-present Member, California Society of Plastic Surgery
- 2015-present Member, American Society of Plastic Surgery

Service:

Editorial Board

1. Annals of Plastic Surgery, Microsurgery Section, 2013-present

Reviewer

1. Annals of Plastic Surgery, 2013-present
2. Lymphatic Research and Biology, 2014-present

Professional Service

1. Plastic Surgery Session (Co-Chair), The Southern California Chapter of the American College of Surgeons Annual Meeting, Santa Barbara, California, 2012
2. 8<sup>th</sup> Annual Plastic Surgery Research Symposium at Stanford (Chair), Stanford, California, 2015
3. American Society of Reconstructive Microsurgery (ASRM) Programs Committee (Member), Puerto Rico, 2018
4. ASRM Godina Fellow Selection Committee (Member), 2018-present
5. ASRM Women's Microsurgery Committee (Member), 2018-present

Sessions Moderator

1. Live Surgery Session and Scientific Paper Session, 2013 International Symposium on Surgical Treatment of Lymphedema, Chang Gung Memorial Hospital, Taiwan, 2013
2. Clinical Paper Session, 7<sup>th</sup> Annual Plastic Surgery Research Symposium at Stanford, Stanford, California, 2014
3. Clinical Paper Session, 9<sup>th</sup> Annual Plastic Surgery Research Symposium at Stanford,

- Stanford, California, 2016
4. Scientific Paper Presentation: Basic Science, American Society of Reconstructive Microsurgery Meeting, Phoenix, Arizona, 2018
  5. Clinical Paper Session, 11<sup>th</sup> Annual Plastic Surgery Research Symposium at Stanford, Stanford, California, 2018

Departmental Educational Programs Organizer

1. Lymphedema Grand Round Lecture and Cadaver Dissection Session by International Visiting Professor, Corrine Becker, Paris, France, April 2014.
2. App Developer-Breast Reconstruction, Stanford Women's Cancer Center, 2014
3. App Developer-Lymphedema, 2018
4. Lymphedema Grand Round Lecture and Cadaver Dissection Session by International Visiting Professor, Ming-Huei Cheng, Chang Gung Memorial Hospital, Taiwan, 2018.

Research Activities:

1. Preserving Nipple-Areolar Complex Sensation Following Subcutaneous Mastectomy in Female-to-Male Transgender Patients  
Stanford Lucile Packard Children's Hospital  
Principle Investigator  
2018-present
2. A Pilot Trial of Nerve Allograft in Preserving Peripheral Nerve Sensation Following Prophylactic Mastectomy  
Stanford Medical Center  
Principle Investigator  
2017-present
3. Microsurgical Breast Reconstruction & VTE  
Stanford Medical Center  
Co-Investigator  
2017-present
4. Evaluation of the Additive and/or Synergistic Efficacy Impact of the Fibralign Biobridge as an Adjunct to Autologous Lymph Node Transfer for Breast Cancer-Associated Lymphedema  
Sponsored by Fibralign, NIH funded  
Stanford Medical Center  
Co-Investigator  
2016-present
5. Evaluating the Treatment of Secondary Lymphedema with VEGF-C Complexed Aligned Nanofibrillar Collagen Scaffolds in the Rat Lymphedema Model  
Stanford Medical Center  
Co-Investigator

2016-present

6. A Study of the Safety and Effectiveness of the Smooth and Textured Larger Size MemoryGel Ultra High Profile (UHP-L) Breast Implants in Subjects who are undergoing Primary Breast Reconstruction or Revision Reconstruction  
Stanford Medical Center  
Co-Investigator  
2016-present
7. A Multicenter, Randomized, Single-Blinded, with an Open-Label Extension Option to Further Evaluate the Safety and Efficacy of Cryopreserved Human Amniotic Membrane for the Treatment of Chronic Diabetic Foot Ulcers  
Stanford Medical Center  
Co-Investigator  
2016-present
8. A Randomized Double-blinded, Placebo-Controlled Trial: Use of Transversus Abdominis Plane (TAP) Block in Breast Cancer Patients Undergoing Microsurgical Breast Reconstruction with Abdominal Free Flap  
Stanford Medical Center  
Co-Investigator  
2015-present
9. Pilot Study of Blossom® Automatic Tissue Expander for Tissue/Implant-Based Breast Reconstruction (IRB Pending)  
Stanford Medical Center  
Principle Investigator
10. BioBridge Collagen Scaffolds in Preserving Nipple Sensation Following Nipple-Sparing Mastectomy with Immediate Breast Reconstruction  
Stanford Medical Center (IRB Pending)  
Principle Investigator
11. Nipple Reconstruction Using a Novel Device for External Tissue Expansion  
Stanford Medical Center  
Co-Investigator  
2016
12. SPY-Intra-Operative Angiography and Skin Perfusion in Immediate Breast Reconstruction with Implants  
Stanford Medical Center  
Sponsored by Lifecell  
Co-Investigator  
2012 – 2014
13. Evaluation of the Effects of Vascularized Omentum Lymph Node Transfer on Lymphatic Drainage and Local Immune System in the Lymphedema Experimental

Rat Model  
Chang Gung Memorial Hospital  
Co-Investigator  
2010 – 2013
